

QUALITY TIP

How can I maintain my industry currency without returning to industry?

Vocational / Industry Currency	
Industry Advisory Committee meetings	Maintenance of licences or registrations
Informal Industry Meetings – Industry Contact Sheet or diary or similar record	Return to industry
Professional Development – copies of certificates to HR or record attendance on TE9, in your diary etc.	Ongoing student assessment in industry
Magazine or Journal Subscription	Membership of professional governance boards, consultative committees etc.
Online research – keep them in your favourites list	Up skilling to new qualifications
Emails from Industry	Membership of professional associations or bodies
Attendance at trade shows	Industry related meetings – minutes
Current or recent employment in industry	Contact with Industry Skills Councils or similar
Participation in simulated work environments (such as Evolution hair and beauty salon etc.)	Visiting industry partners/players to discuss and/or view current practices, materials, equipment etc.
